

ENVIRONMENTAL POLICY

At Seacourt Ltd we are committed to the prevention of pollution and reducing the impact of our printing activities on the environment. In order to strive towards meeting this commitment during the manufacture and delivery of our products and services, we will:

- meet all necessary legislative, regulatory and consent requirements which relate to our business
- keep informed of environmental issues and, in particular, those which are of direct relevance to our business
- continue to raise the awareness of all our employees, the effect of their actions on, and their responsibility to the environment; by communication, discussion and training
- continue to have an open dialogue with customers, public and other interested parties about relevant environmental impacts
- minimise our environmental impact by the operation of suitable waste minimisation and recycling schemes
- manage our building and site in an environmentally sensitive manner
- make use of, wherever practicable, best environmental practice when planning and developing new and existing operations
- operate a thoughtful purchasing policy by selecting wherever practical, materials and services which are less damaging to the environment
- set environmental objectives and targets based on continual improvement, monitor results and review on a regular basis
- establish and maintain an Environmental Management System which continually reduces waste, effluent, emissions and the use of scarce resources.
